that all may make their virtual journey through the stations. The Stations of the Cross experience has great significance for us this year as our world faces a pandemic forcing us into isolation, threatening our health, and changing our daily lives. This virtual prayer walk provides an opportunity for you to pause, ponder, and pray while you reflect on Christ's journey and your own journey during this time of isolation and suffering. You can view the stations at belmontumc.org/stations-of-the-cross.

Ways to give

Please remember our financial needs continue whether we are physically present, present in spirit, or worshipping online. Here are several ways you can still contribute your offering:

Mail a check to Belmont UMC, P.O. Box 120098, Nashville, TN 37212.

Text BELMONT to 73256. Click the link you receive in your text message response. Text giving even saves your payment method so you can quickly give again.

Contact your local bank to set up bill pay and have them send your check to the church. Most banks provide this service at no cost to you.

Contact Mark Hagewood (mark@belmontumc.org) to set up a monthly auto-draft from your checking or savings account.

Make a payment online with a credit card, debit card, or checking account by going to belmontumc.org/give.

Then we will walk through Holy Week with noon pastoral lectionary reflections

on Monday, Tuesday, and Wednesday. Maundy Thursday will find us gathered around tables, like the early church, eating a virtual lovefeast together. The somberness of Good Friday's noon service will lead us through Jesus' crucifixion and keep us waiting in the tomb. On Resurrection Sunday, for early risers, we will gather at
