

Golden Triangle Fellowship

Pastor Report 2022

Golden Triangle Fellowship at Belmont United Methodist church. We minister to refugee families from Burma, and our friend from Thailand. We work with families who deal with realities of getting settled into a new country and new culture. We share God's love by helping the new families regain self-sufficiency. We help assist our members by ensuring they have food, clothing and shelter. Most importantly, we help them with their spiritual need by sharing God's word, leading worship and having communion together.

By God's grace we have an opportunity to work with members who have come from all different backgrounds, cultures, religions, languages and custom, As a congregation, we found a common ground in our differences and have learned to live our lives together. We preach, we teach and learned from each other, teach them to love each other as God love us.

Below is the list of tasks that currently performed to help meet our member's need

1. Plan and teach Sunday school and worship program for every Sunday
2. Plan and way meet way every Saturday host prayer meeting and Bible Study for the Ladies Circle monthly. Our ladies Circle meet every last Saturday of the month in our member's home.
3. Studies and prepare sermons for Sunday morning at Thomson Chapel and after noon worship service at our church member's home.
4. We participated with Room in the Inn by help prepare meal for them to feed our homeless neighbors. This year we prepared 60 meals for them.
5. Plan wedding, house warming, celebrate new baby, new jobs, and new family, birthday, and graduation etc. This year we have 1 new family just arrive here in September, family of seven.
6. Plan church picnic and other event such as:
 - a). Sweet December worship in member's home. (December a month of hope, love and Joy).
 - b). Christmas worship and celebration.

By His Grace
